On Wednesday, 19 March 1958, the proposed construction of a classroom building [REDACTED] at a cost of approximately \$5,000 was discussed with Mr. Frank Ecker of the Bureau of the Budget. The general character of the building and its intended use was discussed briefly. Mr. Ecker did not have any questions concerning the proposal and I informed him that this was being checked informally and would not be submitted to the Bureau in writing.
